

Elder Abuse Guide for Law Enforcement (EAGLE) – Part One [NOTE: Time is 10:15-11:30 am.]

(Slides 1-17)

Introduction to the National Center on Elder Abuse and why there is a resource center dedicated to the social justice issue of elder abuse. This segment will also explore the prevalence, risk factors, types of abuse and related resources utilized in the prevention and eradication of elder abuse. This will lead into the discussion of multi-disciplinary teams and why there was a need for the Elder Abuse Guide for Law Enforcement (EAGLE), as part of the U.S. Department of Justice Elder Justice Initiative.

- Risk Factors
- Types of Abuse
- COVID Impact
- Segway into EAGLE

Elder Abuse Guide for Law Enforcement (EAGLE) – Part Two [NOTE: Time is 12:15-1:30 pm.]

(Slides 16- 24)

The second segment of the presentation will begin with a comprehensive tour of the EAGLE tool with instructions on access and pinning to mobile devices. This will lead to the viewing of roll call videos that set the stage for scenarios and group discussions. This will culminate in the exploration of a case involving physical abuse.

- Mobile Pin
- Roll Call Video slide – overview of EA

Elder Abuse Guide for Law Enforcement (EAGLE) – Part Three [NOTE: Time is 1:40-2:45 pm.]

(Slides 25-56)

The third and final segment of this presentation will continue our investigation into cases involving neglect and as time allows, financial abuse perpetrated by a family member and a stranger. We then hope to have a wrap-up and Q and A session to ensure that participants have experienced the EAGLE site and are confident in future use. We will also leave participants with additional resources.
